### **If you are a SLMB+ or FBDE:**

You are eligible for full Medicaid benefits. At times you may also be eligible for limited assistance from the Florida Medicaid Agency for Health Care Administration (AHCA) in paying your Medicare cost share amounts. Generally your cost share is 0% when the service is covered by both Medicare and Medicaid. There may be cases where you have to pay cost sharing when a service or benefit is not covered by Medicaid.

### **If you are a SLMB, QI or QDWI:**

Florida Medicaid Agency for Health Care Administration (AHCA) does not pay your cost-share. You do not have full Medicaid benefits. You pay the cost share amounts listed in the chart above. There may be some services that do not have a member cost share amount.

If your category of Medicaid eligibility changes, your cost share may also increase or decrease. You must recertify your Medicaid enrollment to continue to receive your Medicare coverage.

**How to Read the Medicaid Benefit Chart:**

The benefits described below are covered by Medicaid. The benefits described in the Covered Medical and Hospital Benefits section of the Summary of Benefits are covered by Medicare. For each benefit listed below, you can see what Florida Medicaid Agency for Health Care Administration (AHCA) covers and what our plan covers. If a benefit is used up or not covered by Medicare, then Medicaid may provide coverage. This depends on your type of Medicaid coverage.

Benefits marked with an asterisk (\*) may not be available to all enrollees. Payment of Medicare cost share amounts may be available to enrollees in Medicaid QMB, QMB+, SLMB+ and FBDE categories. Additional Medicaid benefits may be available to enrollees in Medicaid QMB+, SLMB+ and FBDE categories.
