

MEMORANDUM

Date: November 20, 2017
To: Participating Providers of Medica Healthcare and Preferred Care Partners
From: Network Management Services
Re: 2017 – 2018 Flu/Pneumococcal Vaccine Codes Updates

Please note that effective **August 1, 2017**, the following codes or current applicable Medicare allowable codes can be performed in the office without a prior authorization from the health plan and will be reimbursed at the flat rates listed below.

Remember that each office visit is an opportunity for you to discuss with your patients about the importance of getting their vaccines annually.

Description of Services/**CPT CODE	Rate
Influenza Vaccine: CPT 90630, 90654, 90656, 90660, 90662, 90672, 90673, 90674, 90682, 90685, 90686, 90687, 90688 Q2034, Q2035, Q2036, Q2037, Q2038, Q2039	\$31.00 (Includes Vaccine and the Administration)
